Dear Ms Yeung,

Attached for your information is a copy of a letter from the Coalition of Child Care Advocates of BC to the Chair of your Board of Governors about the pending closure of BCIT's child care centre.

We appreciate how difficult it is for students to address the many challenging issues they face today, but trust that your Association will make the pending closure of the child care centre a high priority issue.

While we are primarily a voluntary organization with limited resources, we want to express our full support for any actions that you take to try and reverse the Board's decision to close the child care centre.

Please contact us at info@cccabc.bc.ca if we can be of any help in your efforts.

Sincerely,

Susan Harney
Chair
