

Are you a parent on a wait list for a daycare space?

Are you a parent using licensed daycare?

Are you a parent concerned about the cost of quality daycare in BC?

**BC Parent Voices — We believe BC's children and families
deserve the best child care system!**

BC Parent Voices (BC PV) is all about supporting parents to speak up for building a child care system that is:

- *high quality, licensed* and provided by *qualified and trained staff*;
- *affordable* for all that want or need to use it; and
- *accessible* to meet the needs of all children and families.

What do we do?

- Through our virtual network e-mail list, we share facts and information about child care news in BC and Canada.
- We provide information that helps to explain the key issues and solutions.
- We work together to encourage parents to speak up for the licensed daycare services they need.
