Child care in BC is in crisis.

- Fees are too high.
- Wait lists are too long.
- Wages are too low.

Voters in 85 BC ridings seek MLAs who will solve our child care crisis.

Successful candidates must commit to:

- ✓ invest in a publicly-funded child care system;
- ✓ deliver on annual targets to lower fees, raise wages, and build community spaces;
- ✓ position child care as an important economic stimulus.

Interested candidates have until May 12 to submit their credentials to voters. Term of employment is four years.
